

Round Tubes

A classic shape popular with spirits brands and other premium and luxury goods, the round tube elevates your product and protects the contents inside, while providing a large surface area for your brand story to shine.

Features

- Embossed metal lids and bases in a variety of colours and styles
- High quality cover papers to achieve a range of stand out aesthetics
- Advanced print and finishing options: foiling, embossing, debossing and specialist varnishes

Benefits

- Premium brand image through cost-effective packaging
- Product differentiation and stand out on shelf
- Robust and durable, easily opened and re-sealed without damage
- Strong structural integrity, tried and tested

Options

- Range of heights (113mm to 35mm) and diameters (40mm to 104mm)
- Inside block print for added detail
- Tin or paper bases
- Alternative shapes available to differentiate your brand (see Shaped Tubes)

Design for Sustainability

- High % recycled content
- FSC-certified materials
- Tube body and tin base both 100% recyclable
- Mono material paper based alternative available where separation for recycling is required
